Getting to The Sisters

The Sisters Long Barrow is in a field beside the Welsh Way to the NE of Cirencester, part of Abbey Home Farm. It is located at NGR SP 036053. The best approach is to take the A429 northwards from its junction with the A417 to the east of Cirencester towards Stow-on-the-Wold. After about 2.5km turn left onto the Welsh Way (signposted Perrott's Brook) and head west. There is a gateway 800m along the Welsh Way on the left with a track leading down to the site. For open days please park as directed.
